I am readily familiar with the firm's practice of collection and processing correspondence for mailing and for shipping via overnight delivery service. Under that practice it would be deposited with the U.S. Postal Service or if an overnight delivery service shipment, deposited in an overnight delivery service pick-up box or office on the same day with postage or fees thereon fully prepaid in the ordinary course of business.

I declare that I am employed in the office of a member of the bar of this court at whose direction the service was made. Executed on June 27, 2008, at San Francisco, California.
